Adding members to a groups works like Office 365.

|>||>>|

()

Page 1 of 10

Clicking Add members will display the member listing. Member can then be selected to add to the group.

Rows: 10 ▼

The group assignment screen lists are members that are part of the group. You can search for a member (useful when the list is long), or you can select members to remove. When members are selected, clicking the three vertical dots will present the Remove Members option. A confirmation popup will be presented to confirm their removal.
